

Introducing our...

“What Recession?” Business Web Site Package

Give your business a strong presence on the Web!

A great value at an affordable price!

Take advantage of this offer before the end of the year to maximize the business expenses reportable on your 2010 tax return.*

The package includes a **custom-designed 5 page web site** incorporating 25 graphics/photos and all of these features:

- Photo Gallery
- Contact Form
- Google Analytics (statistics tracking)
- Hosting with e-mail and free 1-year domain name registration
- 1 hour of updates once the site is live.

Your site will be custom-designed for your business—We do not use templates!

Your investment: \$1250
(plus a hosting fee of no more than \$119.50 for one year)

**Already have a web site?
Ask about our upgrade service.**

If your site is more than 2 years old, it should be upgraded to meet current Web standards!

**Site not working properly?
Need someone to make updates and don't know where your developer has gone?
WE CAN HELP!**

Call (732-918-9216) or e-mail (dms@dmswebs.com) today!
We'll be happy to provide a free consultation to discuss your needs.
